

R. Paul Krey Elementary – Parents Club

Contribution Drive 2011

Dear Krey Family,

WE NEED YOUR HELP! With budget cuts, it's necessary more than ever for Parents Club to raise money for our children and the school. This school year, Krey Elementary has 920 students enrolled. We have 47 teachers and over 80 staff members. Krey Parents Club sponsors and supports our children's education and the teachers who instruct them. Funding is needed to provide our children's school agendas, classroom supplies, school improvement items, Accelerated Reader program, behavioral programs, teacher reimbursements and any items needed to supply our children with an exceptional educational experience and environment. If each family contributes a \$60 tax deductible gift, we can raise enough to afford us the opportunity to continue to supply the items necessary for our children's education.

We understand that the current economy has taken its toll on many of Brentwood's families in a variety of ways. Job loss, furloughs, business faltering, death or illness in the family may all be factors in a family's decision to support Krey.

Our goal is to raise \$20,000 with this fundraiser. Any amount you feel comfortable giving to meet this goal is greatly appreciated. If we meet that goal, we will not have to sell any items door to door or to family members. In fact, this is a great opportunity to involve grandparents and other family members that you would normally ask for support with our traditional Krey Elementary Fundraisers.

Contributions of all amounts will be greatly appreciated and well spent!

With your contribution, **you will receive a letter for IRS tax purposes**; we are a 501(c) approved non-profit organization.

Thank you for your support and your efforts to help Krey Elementary students "reach for the moon and land among the stars",

Krey Parents Club Board 2011-2012

MATCHING GIFTS

Many employers offer a program which matches employee contributions to charity. If your employer offers this program, your contribution can be doubled at no additional cost to you. Contact your Human Resources Department for additional information.
